

YOUTH MENTAL HEALTH SYMPOSIUM

SUPPORTING TEENS & YOUNG ADULTS

This event is for families, teachers, and caregivers who want to support mental wellness for teens and young adults, recognize signs that a young person is struggling, respond to a crisis, and talk constructively about mental health with teens and young adults.

Veronika Mesheriakova, MD, is an Assistant Professor of Clinical Pediatrics at UCSF. She is the Director of the Youth Outpatient Substance Use Program (YoSUP) in the Division of Adolescent and Young Adult Medicine.

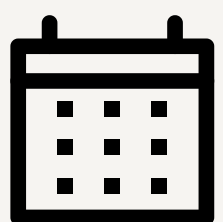

William Martinez, PhD, is an Assistant Professor of Psychiatry and Behavioral Sciences at the University of California, San Francisco and Director of the Child and Adolescent Services clinic in the Division of Infant, Child, and Adolescent Psychiatry at Zuckerberg San Francisco General Hospital. He is currently the Director of Pediatric Mental Health for the UCSF Health and Human Rights Initiative and principal investigator of the Fuerte program

Rachel Gordon, LCSW, is a Psychotherapist with a private psychotherapy practice and the Mental Health Coordinator at Middle and High Schools in Albany, California.

Chase T. M. Anderson, MD, is an Assistant Professor in Child and Adolescent Psychiatry at University of California, San Francisco. He graduated from Adult Psychiatry residency at The Massachusetts General Hospital and McLean Hospital and Child and Adolescent Psychiatry fellowship at UCSF.
